No: 57 Enclosures 2.

Sir,

In forwarding herewith an estimate for Rs 875/- for repairing the temple of Gopa Nara Simha Swami at Singapoor, I have the honour to state that the temple of Singapoor Gopa Nara Simha Swami in the Narikere Taluq is in need of urgent repairs. This temple has an income of Rs 35/- per annum as malnad ready money grant.

which is paid to Archak, and it has no other source of income with the exception of Rs 1-7-6, yearly as interest on investment in Mysore Debenture.

There are Rs 21-5-6 under the management, and Rs 45-3-3 under the surplus, heads at the credit of this temple. There are very few devotees of this temple who are likely to come forward to pay any contribution towards the repairs of the temple.

The Amildar of Tarikere first submitted an estimate for Rs 2018. As this amount was thought excessive, the Amildar was directed to submit estimates for urgent repairs to the main temple & for pulling down the dilapidated entrance and other outhouses

as Yagasala, which have no use whatever.

I inspected this temple on the 7th December 1893, & it to be in a dangerous state and likely to collapse unless something is done to it soon.

As this temple is ancient and of historical interest, I beg to recommend that the estimated amount viz Rs875/- for the repairs of the temple may kindly be sanctioned from the muzarai's State grant for 1893-1894.

The vernacular correspondence together with the translation of the estimate accompanies.

I have the honour to be

Sir,

In reply to your letter dated 15th January 1898, No. 866-Mug-I-86-97, enquiring whether the Temple of Sri Yoga Narasimhaswami at Singapur near Lakkavalli is of any local importance, and whether the repairs to the temple are necessary, I have the honor to state that it has been reported that Singapur is a Sechirak (depopulated) village, and that no one is interested in the restoration of the temple, which is now in a dilapidated and ruined condition. Under these circumstances, I am of opinion that no further repairs need be done to the temple.

2 The Amildar and the Mungarai Assistant Commissioner are both of the opinion that the deity may be removed to Varikere where a temple is much needed. The villagers of Singapura have no—

removal of the deity to
another or elsewhere.

3 The question of the removal of the deity
may, I am inclined to think, lie over until
some charitably disposed gentleman comes
forward to build a temple at Tarikere.-
